

# Accessibility

We have worked with design and usability experts to ensure that this website is accessible to all users, regardless of ability or technical experience, and that all users can access and understand the information they need.

We are committed to providing the same level of information to all users.

Please be aware, however, that certain services offered within the My CIMA area of the website, such as payment of subscriptions, entering for exams and updating personal details are provided by a separate application to the rest of the site and have different accessibility standards.

We have tried not to discriminate against any users, but if you are unable to see an area of the site you believe you should have access to, or you find any areas that you believe contravene this accessibility policy, please contact us by emailing [cima.contact@cimaglobal.com](mailto:cima.contact@cimaglobal.com) or calling +44 (0)20 8849 2251.
